Mr. Steve Riddick
Norfolk State College
Norfolk, Virginia 23504

Dear Steve:

The Norfolk Sports Club is pleased to be a part of Norfolk State's program to honor you.

Some of your past accomplishments have previously been noted to you by our club; but, the honor of a Gold Medal as an Olympic Performer bears special notice.

Track is your life, yet really it is just the spring board to the future. You have always been a winner; your training athletically and academically should now be well ingrained in you as a way of life. Stray not from this dedication and perseverance and continue to bring honors to yourself, your school and your community.

Sincerely yours,

Norfolk Sports Club
